To The Secretary to the Government of Madras,
Local Self-Government (Public Health) Department.

Through The Surgeon-General with the Government of Madras, Madras.

Sir,

In the Rural Dispensary, Naravi (which was opened in 1925 as approved in G.O.No. 600 P.H., dated 19th March 1925) a locally trained midwife named Chandravathi Bai was with the approval of the District Medical Officer, South Kanara, appointed from 17th March 1931. She was paid her salary of Rs. 24/- from the funds of this Taluk Board on 19th May 1931 for 14 days in March and for April 1931. On 30th May 1931, I received from the Surgeon-General a circular letter No.P 36 Bud. dated 9-5-1931 informing that with effect from

1-4-1931 Government Grants on behalf of midwives will be -- disbursed only if the midwives employed are registered -- under the Madras Nurses and Midwives Act, 1926 and that -- applications for Government grants should be accompanied - by certificates that the midwives are so registered. As the midwife above-named was not found to be a registered midwife, I could not claim Government grant on her behalf within the prescribed time for the period for which she was paid for -- March and April 1931. Nor was she and could she be paid her salary from and after 1st May 1931. In his circular letter No. 487-G1, dated 26-10-1931 (received by me on 12-11-1931), the Surgeon-General again notified that services of non-registered midwives need not be terminated and that they may be paid their salaries until the question of their registration is decided by the Madras Nurses and Midwives Council. On receipt of this latter communication, I ~~xxkx~~ called for and obtained from the Medical Practitioner pay bills of the midwife from 1st May and referred the same to the District Medical Officer for his countersignature and for a certificate -- that the midwife had turned out her work during the period in a satisfactory manner and I have just received the pay bills back with the said certificate. I can now pay off the midwife's salary from 1-5-1931 and claim subsidy ~~from 1x5x1931~~ on her behalf. Under orders issued in G.O.No. 842 P.H., -- dated 7th April 1930, prescribing the time limit for claiming of subsidies the subsidy for the quarters ending 31-3-1931 and 30-6-1931 ought to have been claimed by end of 31-12-1931. But as in the case in question payment to the midwife and -- drawal of subsidy was not possible for reasons stated within the period laid down, I solicit that the Government may be -- pleased to condone the delay and permit the Taluk Board to -- draw the subsidy by end of March 1932.

--Your most obedient servant,

President,
Karkal Taluk Board.

Contribution - Karkal Tk Bd (South Kanara) Arrear Subsidy for midwife in the rural dispensary at Naravi —

The P.T.B. Karkal requests sanction of Govt for the payment of arrear subsidies in respect of the midwife in the rural dispensary at Naravi for the quarters ending 31.3.31 and 30.6.31. The claim for the quarter ending 31.3.31 should have been preferred before 30.9.31 and that for the quarter ending 30.6.31 before 31.12.31 — Vide para 3(1) (a) & (c) of G.O. No. 842 P.H. dt 7.4.30.

2. It is seen from the Pt's letter that the S.G. issued a circular on 9.5.31 informing the P.T.B. Karkal that with effect from 1.4.31 subsidies for midwives in rural dispensaries would be disbursed only if they were registered under the Madras Nurses and Midwives Act 1926. The Pt states that

Mr 1-2 Dft

as the midwife at Naravi was not registered under the Act, he did not claim the subsidy. But in view of the subsequent circular of the S. G, that the services of the non-registered midwives need not be terminated and that the salaries may be paid to them until the question of registration is settled by the Nurses and midwives Council, The Pt requests that the payment of subsidy to the midwife at Naravi for the quarters ending 31.3.31 & 30.6.31 may be sanctioned as the claims have by this time become time-baned. It is submitted that the Pts request may be sanctioned as he would have drawn the subsidies in time but for the ~~fact~~ first circular of the S. G. The delay was not due to the fault of the Pt. The general question of relaxing the time limit rule in so far as the delay ~~was~~ is not due to the fault of the Pt is separately under consideration.
